PRESENT: Bob Thornhill, Jay Marks, Kory Edwards, Stefanie McCauley and Jan Kurz. Special Guest, Chief of Police Brad Blackburn.

Kory Edwards made a motion to approve the Meeting minutes from July 9th, 2012 and July 23rd, 2012. The August and September meetings were cancelled. This was seconded by Jay Marks and passed unanimously.

Recognition was given to: Toby Vollman, Lt. Woods, Lt. Thompson, Lt. Green, Det. Nolta, Officer Morales, Officer Volkman, Officer Diess, Correction Officer Jeffs, Milton Officer Hobbs, Officer Dennis Diess and Detective Mike Malave

Reports: Stefanie McCauley mentioned that the Lt testing cost might push us over the budget under the testing section, but everything else seems to be on target.

New Business: City Attorney Loren Combs wanted to discuss, if the City takes on the services from another city, and this creates an opening, *need to hire*, is the Civil Service Commission willing to look at the other cities employees first. This would not affect seniority or pay, those would be evaluated separately. The discussion ended with, yes, the committee is open to further discussion.

Adjournment: Meeting ended at 1:30 p.m.
