

CITY OF FIFE, WASHINGTON

ORDINANCE NO. 1816

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF FIFE, PIERCE COUNTY, WASHINGTON, AMENDING SECTION 3.85.020 OF THE FIFE MUNICIPAL CODE REGARDING THE PUBLIC SAFETY FUND

WHEREAS, In 2007, the City implemented a photo red light enforcement program intended to increase compliance with red light signals at intersections; and

WHEREAS, in conjunction with the photo red light enforcement program, the City adopted Ordinance 1636-07 creating the public safety fund to receive the revenues of the photo red light enforcement program and dedicating any revenues in excess of the costs of the program to improvements that enhance pedestrian safety; and

WHEREAS, the current authorized uses of the public safety fund all relate to pedestrian safety; and

WHEREAS, the enforcement of traffic laws also promotes pedestrian safety; and

WHEREAS, due to a decrease in revenue from other sources, the City may not be able to attain the desired level of traffic law enforcement service without an alternate funding source; and

WHEREAS, the Council finds that use of the public safety fund for traffic law enforcement is consistent with the Council's original intent that the funds be used to promote pedestrian safety; now, therefore,

THE CITY COUNCIL OF THE CITY OF FIFE, PIERCE COUNTY, WASHINGTON DO ORDAIN AS FOLLOWS:

Section 1. Section 3.85.020 of the Fife Municipal Code is hereby amended to read as follows:

3.85.020 Purpose.

The purpose of the public safety fund is to segregate, budget, expend and account for moneys derived from the photo red light enforcement program, pursuant to Chapter 10.60 FMC. Expenditures from the public safety fund may only be used for the purpose of paying for the costs of the red light enforcement program, including the city's administrative costs; provided, however, if there are surplus moneys in the fund, then the surplus moneys may only be expended for the

following purposes: (1) purchase and installation of school zone signs and lights; (2) pedestrian overpass/underpass design and construction costs; (3) sidewalk design and construction costs; (4) streetlight acquisition, operation and maintenance; (5) signalized pedestrian crosswalks; (6) the purchase, design and construction of pedestrian trails that serve to redirect pedestrian traffic off of streets with high traffic volumes; (7) the design and construction of similar pedestrian safety oriented improvements; and (8) traffic law enforcement by commissioned police officers. The amount of the public safety fund allocated to traffic law enforcement each year shall not exceed the cost of employing two full time commissioned police officers.

Section 2. Each and every provision of this Ordinance shall be deemed severable. In the event that any portion of this Ordinance is determined by final order of a court of competent jurisdiction to be void or unenforceable, such determination shall not affect the validity of the remaining provisions thereof provided the intent of this Ordinance can still be furthered without the invalid provision.

Section 3. This Ordinance shall be in full force and effect five (5) days after publication as required by law. A summary of this Ordinance may be published in lieu of the entire Ordinance, as authorized by State law.

Introduced the Oct 16th day of Oct, 2012.

Passed by the City Council on the 30th day of Oct 2012.

David K. Zabell, City Manager
