

RESOLUTION NO. 1474

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FIFE, PIERCE COUNTY, WASHINGTON ACCEPTING CONSTRUCTION OF WATER MAIN ALONG 54TH AVENUE EAST BETWEEN KELSEY LANE EAST AND NORTH LEVEE ROAD EAST, BY SCOTTY'S GENERAL CONSTRUCTION, INC., AS COMPLETE

WHEREAS, the Fife City Council City approved Resolution 1303 on May 26, 2009, adopting Fife's Comprehensive Water System Plan, including the extension of water main along 54th Avenue East from Kelsey Lane towards North Levee Road East as Capital Improvement Project #20; and

WHEREAS, in late 2011 Fife staff determined that it was appropriate that the extension of water mains along 54th Avenue East between Kelsey Lane East and North Levee Road East move up in the priority list; and

WHEREAS, the Council appropriated funds for water construction that were adequate for the project, and the estimated contract value was below \$300,000, so the small works roster process was used; and

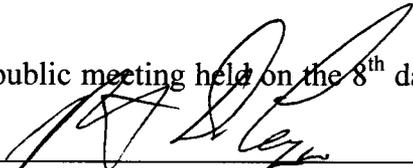

WHEREAS, Scotty's General Construction, Inc. was the low bidder at \$44,572.24 and was awarded the project and executed a contract to complete it; and

WHEREAS, the City of Fife Public Works Department has determined that Scotty's General Construction Inc., has completed the project; and

WHEREAS, because of an under-run of shoring and pipe quantities the total actual contract amount is \$42,050.82, and Scotty's has signed a final contract voucher certificate indicating that they will accept that amount as their total payment for project construction; now, therefore

BE IT RESOLVED that the Fife City Council hereby accepts the construction contract with Scotty's General Construction Inc. for construction of water main along 54th Avenue East between Kelsey Lane East and North Levee Road East as completed.

ADOPTED by the City Council at an open public meeting held on the 8th day of May, 2012.

Rob Cerqui, Mayor

Attest:

Carol Etgen, City Clerk
