

RESOLUTION NO. 1522

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF FIFE, PIERCE COUNTY, WASHINGTON
ACCEPTING CONSTRUCTION OF THE ASPHALT
SIDEWALK PROJECT AS COMPLETE**

WHEREAS, the Council appropriated funds from the public safety fund for asphalt sidewalks on 20th Street East between Mayfair Place condominium and the library, and on 70th Avenue East from north of Radiance to the railroad tracks, and

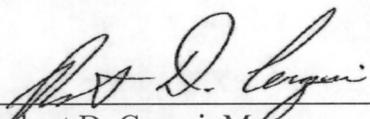

WHEREAS the project was advertised for bid and CCT Construction, Inc. was the low bidder at \$48,031 plus tax, and was awarded the project and executed a contract to complete it; and

WHEREAS, due to wet weather during construction and field modifications to avoid utilities and match existing grades, the contractor needed to use additional quantities of Crushed Surfacing Base Course and Crushed Surfacing Top Course above what was estimated in the original bid documents, which resulted in an approximate \$10,000 in a justified cost increase; and

WHEREAS, the City of Fife Public Works Department has determined that the project is complete and ready for final acceptance by the City Council; now, therefore

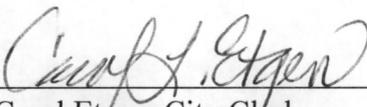

BE IT RESOLVED that the Fife City Council hereby accepts the construction contract with CCT Construction, Inc. for construction of asphalt sidewalks on 20th Street East between Mayfair Place condominium and the library, and on 70th Avenue East from north of Radiance to the railroad tracks, as completed.

ADOPTED by the City Council at an open public meeting held on the 11th day of December, 2012.

Robert D. Cerqui, Mayor

Attest:

Carol Etgen, City Clerk
