GMB 1100
Maintenance of State Interstate Limited Access
Facilities in the City of Fife

This Agreement is made and entered into between the Washington State Department of Transportation, hereinafter the "State," and the City of Fife, 5411 23rd Street, Fife, WA 98424, hereinafter the "City," collectively referred to as the "Parties" and individually as "Party."

WHEREAS, the City is developing a project to add capacity to the Interstate 5 (I-5) Port of Tacoma Road interchange, which will be built in phases, and

WHEREAS, the State owns and operates I-5, a limited access facility, within the City limits, and

WHEREAS, pursuant to RCW 47.52.090, WAC 468-18-050 and the "City Streets as Part of State Highways" Guidelines (Guidelines), dated April 30, 1997 as amended April 2, 2013, the City has certain maintenance and preservation responsibilities for City streets within a limited access facility, and

WHEREAS, the Parties desire to have a common, consistent and clear understanding as to which elements are to be maintained and preserved by each Party,

NOW, THEREFORE, pursuant to RCW 47.52.090, WAC 468-18-050 and Guidelines, the above recitals that are incorporated herein as if fully set forth below, and in consideration of the terms, conditions, covenants, and performances contained herein, and the attached Exhibit A that is incorporated and made a part hereof,

IT IS MUTUALLY AGREED AS FOLLOWS:

1.0 OTHER MAINTENANCE AGREEMENTS

1.1 All agreements between the State and the City executed prior to January 1, 2017, if any, concerning the maintenance of I-5 within the limits of the City are hereby terminated.

1.2 All provisions within any turn back agreement between the State and the City executed prior to January 1, 2017 concerning the maintenance of I-5 within the limits of the City are hereby superseded.

2.0 MAINTENANCE AND PRESERVATION RESPONSIBILITIES

2.1 "Maintenance" means routine preventative service and repair of an element of the limited access facility.

2.2 "Preservation" means the rehabilitation or replacement at the end of an element's useful lifespan, after deterioration or damage, when the element can no longer be cost-effectively repaired or maintained.

2.3 The City agrees to maintain and preserve City-owned signals and provide power and communications to said signals at the following intersections adjacent to I-5 at City cost:

Pacific Highway and Port of Tacoma Road
Pacific Highway and 34th Ave. East
20th St. East and Port of Tacoma Road
20th St. East and 34th Ave. East
20th St. East and 54th Ave. East

2.4 In order to maximize the efficiency of the signals in the vicinity of I-5, the State agrees to control signal operations at the following City intersections adjacent to I-5 at State cost:

Pacific Highway and Port of Tacoma Road
Pacific Highway and 34th Ave. East
20th St. East and Port of Tacoma Road
20th St. East and 34th Ave. East
20th St. East and 54th Ave. East

2.5 In accordance with the Guidelines, the State acknowledges its responsibility to maintain, control operations, and provide power and communications to signals on other State highways within the City limits.

2.6 The City agrees to maintain and preserve at City expense the cross street elements upon I-5 within City limits that are listed and described in Exhibit A, Tables 1 and 2.

2.7 The respective obligations of the State and the City relative to the maintenance and preservation of bridges on I-5 within City limits shall be as set forth in Table 3 of the Guidelines. If the State and the Association of Washington Cities update the Guidelines, the Parties agree that the updated Guidelines will apply to the maintenance and preservation of bridges.

2.8 In the event a condition arises associated with the City's maintenance and preservation responsibilities described in Section 2 that the State deems may endanger the state highway, pedestrians, or the traveling public, the State will immediately notify the City and the City agrees to immediately correct the condition. If the City does not immediately correct the condition the State reserves the right to perform the work, and the CITY agrees to reimburse the State's costs for the work.

In the event the State finds it necessary to perform work under this Agreement under Sections 2, the City agrees to reimburse the State for 100% of its actual direct salary and direct non-salary costs. The State shall provide a detailed invoice to the City for State-work performed. The City agrees to make payment to the State within thirty (30) calendar days after the City has received a detailed invoice from the State. The City agrees that if it fails to make payment within the

prescribed time defined above, the State is authorized to withhold and expend such costs from funds credited to or to be credited to the City in the motor vehicle fund until such costs are fully recovered including interest on outstanding balances in accordance with RCW 47.24.050

3.0 AGREEMENT REPRESENTATIVES

3.1 The Parties have designated the following Representatives for Maintenance communications under this Agreement.

<u>CITY:</u>	<u>STATE:</u>
City of Fife	WSDOT
Kurt Hospenthal	Jeff Hastings
Public Works Superintendent	Tacoma Maintenance Superintendent
3725 Pacific Highway E.	11211 41 st Ave SW

3.2 The Parties agree to meet yearly to discuss maintenance issues, including the need to make adjustments to this Agreement.

4.0 RIGHT OF ENTRY

4.1 The State hereby grants to the City and its authorized agents, contractors, subcontractors, and employees, a right of entry upon state-owned limited access right-of-way within or near City limits for the purpose of performing maintenance and preservation work as described in this Agreement.

4.2 The City agrees that it's authorized agents, contractors, subcontractors, and employees shall not cross limited access lines to perform maintenance and preservation work as described in this Agreement.

4.3 The City hereby grants to the State and its authorized agents, contractors, subcontractors, and employees, a right of entry upon all land in which the City has an interest for the purpose of performing maintenance and preservation work as described in this Agreement.

5.0 AMENDMENT

5.1 This Agreement may be amended by the mutual agreement of the Parties. Such amendments or modifications shall not be binding unless they are in writing and signed by persons authorized to bind each of the Parties.

6.0 TERMINATION

6.1 Neither the State nor the City may terminate this Agreement without the concurrence of the other Party. Termination shall be in writing and signed by both Parties.

7.0 INDEPENDENT CONTRACTOR

7.1 The City shall be deemed an independent contractor for all purposes, and the employees of the City or any of its contractors, subcontractors, consultants, and the employees thereof, shall not in any manner be deemed to be employees of the State.

8.0 INDEMNITY

8.1 To the extent authorized by law, the Parties shall protect, defend, indemnify, and hold harmless each other and their employees and authorized agents, while acting within the scope of their employment as such, from any and all costs, claims, judgments, and/or awards of damages (both to persons and/or property), arising out of, or in any way resulting from, the maintenance or preservation to be performed pursuant to the provisions of this Agreement. The Parties shall not be required to indemnify, defend, or save harmless the other Party if the claim, suit, or action for injuries, death, or damages (both to persons and/or property) is caused by the sole negligence of the other Party; provided that, if such claims, suits, or actions result from the concurrent negligence of (a) the City, its employees or authorized agents, and (b) the State, its employees or authorized agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of each Party's, its employees', and/or authorized agents' own negligence.

8.2 The Parties agree that their obligations under this section extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents while performing maintenance or preservation under this agreement. For this purpose, the Parties, by mutual negotiation, hereby waive any immunity that would otherwise be available to it against such claims under the industrial insurance provisions in 51.12 RCW 2.

8.3 This indemnification and waiver shall survive the termination of this Agreement.

9.0 DISPUTES

9.1 In the event that a dispute arises under this Agreement, it shall be resolved as follows: The State and the City shall each appoint a member to a disputes board; these two members shall select a third member not affiliated with either agency. The three-member board shall conduct a dispute resolution hearing that shall be informal and unrecorded. An attempt at such dispute resolution in compliance with the aforesaid process shall be a prerequisite to the filing of any litigation concerning the dispute. The Parties shall equally share in the cost of the third disputes board member; however, each Party shall be responsible for its own costs and fees.

10.0 VENUE

10.1 In the event that a Party deems it necessary to institute legal action or proceedings to enforce any right or obligation under this Agreement, the Parties hereto agree that any such action or proceedings shall be brought in Thurston County Superior Court. Further, the Parties agree that each will be solely responsible for payment of their own attorneys' fees, witness fees, and costs.

11.0 AUDITS/RECORDS

11.1 All records in support of all costs incurred with respect to maintenance or preservation by State, that is to be reimbursed by the City, shall be maintained by the State for a period of six (6) years. The State of Washington shall have full access to and the right to examine said records, during normal business hours, and as often as it deems necessary. The State agrees that said maintenance or preservation performed herein is subject to audit by either or both Parties and/or their designated representatives, and/or the federal/state government.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Party's date last signed below.
