SMALL PUBLIC WORKS CONTRACT

THIS Agreement, made effective as of the ____ day of _____ 2018, between

CITY OF FIFE, WASHINGTON (“CITY”)
5411 23rd Street East
Fife, WA 98424

Contact: Megan Jendrick

and

_____. (“CONTRACTOR”)

for the following Project:

City of Fife Aquatic Center Hot Tub Renovation Project (“PROJECT”)

The City and Contractor agree as follows:

- 1. Contract Documents.** The Contractor shall complete the Project in accordance with the Contract Documents. The Contract Documents consist of the following in order of precedence:
 - a. Written change orders or orders for changes in the work issued after execution of this Agreement;
 - b. This Contract signed by City and Contractor;
 - c. Project Specifications.
 - c. Proposal.

The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the work by the Contractor. These Contract Documents complement each other in describing a complete work. Any requirement in one document binds as if stated in all. The Contractor shall provide any work or materials clearly implied in the Contract even if the Contract does not mention it specifically.

- 2. Date of Commencement and Completion Date.** All site work must be commenced and between September 1 and September 9 when the Aquatic Center will be closed for maintenance, with September 9 being the Completion Date. (“Completion Date”).

- 3. Contract Sum.** Subject to additions and deductions by change order, the contract sum is the total bid amount of \$_____, including applicable tax. The contract sum shall include all materials, equipment, and labor necessary for the proper execution and completion of the Project.

- 4. Changes.** After execution of the Contract, changes in the Project may be accomplished by change order. The City, without invalidating the Contract, may order changes in the Project within the general

scope of the Contract consisting of additions, deletions or other revisions, the Contract Sum and Contract completion date being adjusted accordingly. Change orders shall be in writing signed by the parties

5. Retainage. Waived per FMC 2.90.030(g). However, the city shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

6. Payment. Each month after commencement of the Project, Contractor shall make a request for payment for work done during the preceding month, on invoices in a format acceptable to the City. Failure to perform any of the obligations under the Contract by the Contractor may be deemed by City to be adequate reason for withholding any payments until compliance is achieved. Progress payments for work performed shall not be evidence of acceptable performance or an admission by City that any work has been satisfactorily completed. Progress payments shall be deemed advances and are subject to adjustment at any time prior to final payment for errors, overpayment or City's good faith determination that the remaining balance of payment may be insufficient to insure completion of work covered by this Contract or to pay bond or retainage claims. Payment shall be made within 30 days of receipt of invoice. Failure to perform any of the obligations under the Contract by the Contractor may be deemed by City to be adequate reason for withholding any payments until compliance is achieved. Payments received on account of work performed by a subcontractor are subject to the provisions of RCW 39.04.250.

7. Review of Contract Documents and Field Conditions. Contractor has satisfied itself as to the nature and location of the work, the character, kind and quantity of material to be encountered, the character, kind and quantity of equipment needed, the location, conditions and other matters which can in any manner affect the work under this Contract, and acknowledges that Contractor has had a reasonable opportunity to examine the site and all of the Contract Documents. Prior to commencing work, Contractor shall examine the site and any surfaces upon which work is to be performed, and shall notify City in writing of any conditions which might adversely affect its work; failure to do so will constitute a waiver of entitlement to any additional compensation or contract time arising out of such conditions.

8. Payment and Performance Bond. Waived per FMC 2.90.030(g). However, the city shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

9. Permits, Fees, Notices, and Compliance with Laws.

9.1 Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for all permits, fees, licenses and inspections by governmental agencies necessary for the proper execution and completion of the work that are customarily secured after execution of the Contract and legally required at the time bids are received or negotiations concluded.

9.2 Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules, and regulations, and lawful orders of public authorities applicable to performance of the Work.

10. Prevailing Wages. This Contract is subject to the requirements of Chapter 39.12 RCW, and as it may be amended, relating to prevailing wages. NO WORKER, LABORER OR MECHANIC EMPLOYED IN THE PERFORMANCE OF ANY PART OF THIS CONTRACT SHALL BE PAID LESS THAN THE PREVAILING RATE OF WAGE as determined by the Industrial Statistician of the Department of Labor and Industries for the State of Washington. Prior to making any payment under this Contract, the City must receive an approved copy of the "Statement of Intent to Pay Prevailing Wages on Public Works Contracts" from the Department of Labor & Industries. It is the Contractor's responsibility to obtain and file the "Statement of Intent to Pay Prevailing Wage". The Contractor shall be responsible for

all filing fees. Each invoice may include a signed statement that prevailing wages have been paid by the Contractor and all subcontractors.

11. Insurance. The Contractor shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Contractor, their agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Contractor shall obtain insurance of the types described below:

1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

2. Commercial General Liability insurance shall be written on ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, independent contractors, products-completed operations, stop gap liability, personal injury and advertising injury, and liability assumed under an insured contract. The Commercial General Liability insurance shall be endorsed to provide the Aggregate Per Project Endorsement ISO form CG 25 03 11 85. There shall be no endorsement or modification of the Commercial General Liability insurance for liability arising from explosion, collapse or underground property damage. The City shall be named as an insured under the Contractor's Commercial General Liability insurance policy with respect to the work performed for the City using ISO additional insured endorsement CG 20 10 10 01 and Additional Insured-Completed Operations endorsement CG 20 37 10 01 or a substitute endorsement providing equivalent coverage.

3. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.

B. Minimum Amounts of Insurance

Contractor shall maintain the following insurance limits:

1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.

2. Commercial General Liability insurance shall be written with limits no less than \$1,000,000 each occurrence, \$2,000,000 general aggregate and a \$2,000,000 products-completed operation aggregate limit.

C. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions for Automobile Liability and Commercial General Liability insurance:

1. The Contractor's insurance coverage shall be primary insurance as respect the City. Any Insurance, self-insurance, or insurance pool coverage maintained by the City shall be excess of the Contractor's insurance and shall not contribute with it.

2. The Contractor's insurance shall be endorsed to state that coverage shall not be cancelled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the City.

D. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

E. Verification of Coverage

Contractor shall furnish the City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Contractor before commencement of the work.

F. Subcontractors

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the same insurance requirements as stated herein for the Contractor.

12. Termination of Contract. This Contract may be terminated by City at any time upon the default of the Contractor or upon public convenience, in which Contractor shall be entitled to just and equitable compensation for any satisfactory work completed prior to the date of termination. Contractor shall not be entitled to any reallocation of cost, profit or overhead. Contractor shall not in any event be entitled to anticipated profit on work not performed because of such termination. Contractor shall use its best efforts to minimize the compensation payable under this Contract in the event of such termination. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to City resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by City in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by City by reason of such default.

13. Warranty. Contractor warrants that: (1) materials and equipment furnished under the Contract will be new and of good quality unless otherwise required and permitted by the Contract Documents; (2) the work will be free from defects not inherent in the quality required or permitted; and (3) the work will conform to the requirements of the Contract.

14. Indemnification/Hold Harmless. The Contractor shall defend, indemnify and hold City, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or in connection with the performance of this Agreement, except for injuries and damages caused by the sole negligence of City. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor and City, its officers, officials, employees, and volunteers, the Contractor's liability

hereunder shall be only to the extent of the Contractor's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Contractor's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

15. Assigning or Subcontracting. Contractor shall not assign, transfer, subcontract or encumber any rights, duties, or interests accruing from this Agreement without the express prior written consent of the City. Each subcontractor, to the extent of the Work to be performed by the subcontractor, shall be bound to the Contractor by the terms of the Contract Documents, and shall assume toward the Contractor all the obligations and responsibilities which the Contractor by the Contract Documents, assumes toward the City.

16. Independent Contractor. Contractor is and shall be at all times during the term of this Agreement an independent contractor.

17. Disputes. Any action for claims arising out of or relating to this Agreement shall be governed by the laws of the State of Washington. Venue shall be in Pierce County Superior Court.

18. Attorneys' Fees. In any suit or action instituted to enforce any right granted in this Agreement, the substantially prevailing party shall be entitled to recover its costs, disbursements, and reasonable attorney's fees from the other party.

19. Extent of Agreement/Modification. The Contract Documents, together with attachments or addenda, represent the entire and integrated Agreement between the parties hereto and supersede all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended, modified or added to only by written instrument properly signed by both parties.
