FIFE LOVE BIRDS RIBBON CUTTING

Fife, WA – The City of Fife will be hosting a Ribbon Cutting Ceremony for the new Love Birds art piece at 12:00 p.m. on Monday, October 24 outside of Fife City Hall. The artist, Chuck Fitzgerald, and the Fife Public Arts Commission will snip the ribbon and officially welcome the Love Birds art piece to the City of Fife, followed by light refreshments.

The art piece was designed and created by Fitzgerald, who has been designing pieces for 30 years. The Love Birds represent the caring values and diversity of the City of Fife, as well as a peaceful representation of the nature present in the area.

“We need more love in the world,” Fitzgerald said. “They may signify unity and working together with brotherly love.”

The new Love Birds art piece is the latest addition to the various art pieces around the City of Fife and is being welcomed next to the new Marian Wetsch City Hall sign.
