2023 UTILITY BOX ART WRAP PROJECT

The City of Fife is committed to supporting a vibrant artistic community. The mission of the Fife Public Arts Commission is to actively encourage the development and sustainability of the arts in the city. One way we're doing this is through our utility box art wrap project, which launched in 2020.

The Fife Public Arts Commission is looking for more artwork to continue wrapping city-owned utility boxes. We believe that adding colorful, family-oriented artwork on boxes in highly visible areas of the city strengthens Fife's identity and sense of community.

Artists are free to explore themes that are meaningful to them, but the themes of history, community, family or the city's tagline, "Industrious by Nature," could provide a starting point.

PROJECT DETAILS

- Artwork must be fully original and designed to fit the template dimensions specified here. Artwork may be in any media and submitted in digital format by the artist with this application. Artwork that does not adhere to template dimensions or is not in a digital format will not be considered.
- Artists may submit up to three digital design renderings for consideration. The selection committee will evaluate and choose from the artwork submitted.
- Innovative, family-oriented work in bold shapes and colors is encouraged. Art will be selected based on its overall strength, visual appeal and its connection to the Fife community.
- Artists whose work is selected will receive a \$700 stipend per design for all original images. Artists will be contacted by city staff after the artwork is chosen to discuss further details.
- Staff will coordinate with an external, third-party vendor to have the digital design transferred to vinyl and installed on the utility box.
